Additional information

Description: XL1200X Sportster Forty-Eight in Hard Candy Hot Rod Red Flake.

Brand New and Unregistered 2017 model.

We've taken this brand new 2017 Sportster

Forty-Eight and given it a little makeover starting with a full stage one tune including black Vance and Hines shortshot exhausts, Crusher high flow air filter and Screamin' Eagle tuner. The bike has also been fitted with a pair of Genuine Harley-Davidson® engraved white wall tyres.

The first time the world saw this iconic gas tank was in 1948. But the world has never seen it sitting atop anything quite like this. The Forty-Eight®. Designed with its signature bulldog stance and the powerful 1200cc Evolution® engine. Large 49mm front forks, an adjustable rear suspension, cast aluminium wheels with floating rotors and powerful brakes bring plenty of handling and comfort to all this heavy-hitting style.

The cost of a 2017 Harley-Davidson motorcycle includes delivery to the dealership, PDI, full tank of fuel, 12 months road fund licence, DVLA first registration fee, number plate and 12 months membership of Harley owners Group (HOG) which includes 12

months European
roadside recovery
program and 24 months
